Project Brief Template

Fill this in and send it back on WhatsApp or email — we reply with a fixed quote and timeline within one business day.

brand. design. build. — Nairobi, Kenya

About your business

- [ ] Business name and what you do (one or two sentences)
- [ ] Who are your customers?
- [ ] Location(s) you serve
- [ ] What is the main problem this project should solve?

About the project

- [ ] What do you need? (website, logo, system, e-commerce, other)
- [ ] Must-have features or pages
- [ ] Examples of sites or brands you like — and what you like about them
- [ ] Do you already have a domain, hosting, logo or content?
- [ ] Target launch date
- [ ] Budget range — even a rough figure helps us scope honestly

Logistics

- [ ] Who approves decisions, and how fast can we reach them?
- [ ] Preferred contact: WhatsApp / call / email
- [ ] Anything else we should know?
